OUR RESORT HISTORY

The Mission district of Mackinac Island has deep roots in hospitality and the concept of bringing people together to learn and grow.

In the early 1820's, Reverend William Ferry, a Protestant missionary, used this area to house and teach Native American children. He also established Mission Church, which was one of the first protestant churches in the Midwest. The southeast end of Mackinac Island thus became known as Mission Point.

During the 1940's, an organization called the Moral Re-Armament (MRA) was looking for a world headquarters and became involved on the island upon the invitation of the Governor of Michigan at the time. The MRA was a multi-national group who promoted the philosophy of love, unselfishness, purity and honesty in a worldwide evangelistic campaign. They settled on Mackinac Island and groundbreaking ceremonies began in 1954.

Construction on what are now called the Main Lodge and Straits Lodge began in the fall of 1955 with fifty-foot trusses of Norway White Pine from nearby Bois Blanc Island supporting the roof and 45 tons of native stone forming the original building. The Main Lobby's rotunda-style architecture remains one of the most distinctive structures on the island to this day—nine majestic trusses converge at the height of 51 feet and resemble a 16-sided teepee. This structure fulfils the prophecy that says:

Someday on the east side of the island a great teepee will be erected. All nations will come there and learn about peace.

A movie production Sound Stage was constructed in 1958 and at the time was the second largest of its type in the world; the MRA used this space to produce movies and short films. In 1966, the MRA relocated their operation to Switzerland and deeded much of the property to an organization known as Mackinac College. This education institute operated for four years, graduated one class and then closed in 1970.

Throughout the 1970's and 80's, the Mission Point property changed hands a few times and during this era, was established as a hotel resort. One of the most notable events at Mission Point occurred in 1979, when Universal Studios leased the Sound Stage mentioned earlier to produce the movie "Somewhere in Time" starring Christopher Reeve and Jayne Seymour. Most of the sets were built and utilized in the Sound Stage and the production team used the Theater for filming. The entire cast and crew were hosted at Mission Point, which was at that time was called the Inn on Mackinac.

Behind the scenes of the movie, *Somewhere in Time*

In 1987, Detroit businessman John Shufelt purchased the property and gave it the official name of Mission Point Resort, paying homage to our historical location. Through the Shufelts' ownership, Mission Point gained the reputation as the "friendly and casual" hotel and resort option on Mackinac Island.

The current chapter of Mission Point Resort's history book began in 2014, when Dennert and Suzanne Ware purchased the property; they had an immediate plan of multi-million-dollar upgrades while also preserving the important historical nature of the hotel. Since their ownership, Mission Point has added Lakeside Spa & Salon, renovated all 243 guest rooms & suites, refurbished the Conference Center, built the Promenade Deck outdoor pavilion event space and done many more behind-the-scenes improvements to infrastructure, fire safety and overall guest experience. The goal of Mission Point is to provide extraordinary Mackinac Island experiences and with the investments that the Ware family has made, the hotel has seen continued success.

BILLING & PAYMENTS

Transparency is important to us throughout every stage of your event planning process. Below you'll find billing and payment information for group events at Mission Point. Should you have any questions, please let your Group Sales Specialist and Conference Services Manager know as they would be happy to discuss.

THERE ARE TWO METHODS OF EVENT PAYMENT AT MISSION POINT: DIRECT BILL OR PRE-PAYMENT.

DIRECT BILL

Mission Point requires credit approval for a group to be billed directly. Should the group have received prior credit approval, hosted and paid for its meeting or event in a timely manner within 2 years of the upcoming meeting, credit approval will be waived unless there is a 30% or more increase in the credit request. If not, the group's Sales Specialist will provide the credit application upon execution of the contract.

The credit application process is done within the year the meeting is to be held. If the meeting is for a future year, the Conference Services Manager will communicate the need to complete the credit application in January of the year the meeting is being held. The credit application must be submitted to Mission Point no later than 45 days prior to the event. Once the completed application is received by Mission Point, the credit approval process typically takes 10 business days. Upon completion of the approval, the Conference Services Manager will notify the group of its credit.

If approved, your group will move forward with Direct Bill; however, should the application be denied, your group will need to pre-pay for the event.

Direct Bill—Approved

If your credit application is approved, you will be directly billed for your event. Working with your Conferences Services Manager, please provide final food and beverage guarantees 21 days in advance of arrival. Your group's final bill will be provided within 5 business days post-event and payment is required within 30 days of the event ending.

The preferred and most efficient method of payment is wire transfer; however, credit cards and checks are accepted. Regardless of type, payment must be received 30 days post event. Should the account not be satisfied within 30 days, it will accrue interest at 1.5% per month (18% per annum). If needed to secure payment, your group has agreed to pay Mission Point all expenses incurred in attempting to collect the balance owed including, but not limited to, all legal expenses and attorney's fees.

Direct Bill—Not Approved

If your credit application is not approved, you will be asked to pre-pay for your event; payments must be made 14 days prior to arrival. Working with your Conferences Services Manager, please provide final food and beverage guarantees 21 days in advance of arrival. Within 1 business day of final guarantees, Mission Point's accounting department will provide the group an invoice based on the master account.

Should payment not be received 14 days prior to arrival, Mission Point does retain the option to terminate the contract and the group will remain liable for amounts outlined in projected Master Bill.

We understand that in some cases during post-event reconciliation, there may be additions or credits to the final account for the group. Final post-event reconciliations and a final invoice will be provided to your group within 5 business days of departure. Any credits will be provided back to your group within 5 business days and any outstanding invoices will be due to Mission Point in 30 business days.

MISSION POINT

FARM-TO-FERRY DINING

Mission Point Resort is home to designed culinary adventures across our 18 acre property with a robust banquet program and unique dining options for group meals. Dining at Mission Point is a farm-to-ferry experience as our culinary team sources a variety of ingredients from local farms and purveyors.

We are often asked, "How does Mission Point get fresh produce?" Our location on an island in the Straits of Mackinac does present some unique logistical challenges in securing regular deliveries of goods and resources to the resort, which must be delivered either by ferry or flight before a horse-drawn dray delivery. But with a lot of planning and communication between mainland farms, transportation providers and our culinary team, fresh produce, dairy, and other products make their way from farm to ferry and onto guests' plates within a matter of days from being picked.

With options from plated to buffet to grab-and-go, there are choices for any event style as you have the opportunity to enjoy breakfasts and brunches, mid-day breaks, plated dinners, boxed lunches, hors d'oeuvres and more.

Menus and pricing options are available upon request.

The boat ride across the Straits of Mackinac is approximately 16 minutes filled with photo opportunities of the Mackinac Bridge, Round Island Lighthouse and Mackinac Island.

ON-ISLAND TRANSPORTATION

Once on the island, you may take a taxi, ride on the Mackinac Island Carriage Tours shuttle servicing Mission Point, or enjoy the short 15-minute walk.

The Mission Point shuttle is a service offered by Mackinac Island Carriage tours and is a fixed-route shuttle taxi that goes between the ferry docks downtown and Mission Point. This is the easiest way to get to MPR and there is a small charge for riding the shuttle. Please note that the shuttle is not available from 12:30 pm - 2:00 pm so the team can change horses.

Horse-drawn taxi service is provided by Mackinac Island Carriage Tours 24 hours per day during the peak summer season. Something unique about Mackinac Island is that taxis cannot be "hailed" and you must call the taxi dispatch office to schedule your pickup. For any questions about taxis on Mackinac Island, please call MICT directly at 906.847.3323.

IMPORTANT ISLAND SERVICES

While Mackinac Island is a popular tourist destination, it also has a vibrant seasonal and year-round community with the same services that you would expect in any city.

MACKINAC ISLAND MEDICAL CENTER, POLICE & FIRE DEPARTMENT

Since health issues never take a vacation, the Mackinac Island Medical Center offers 24-hour emergency care for both island residents and visitors. They offer a full range of medical services include emergency room, primary care, x-ray and laboratory.

While cars are banned on Mackinac Island, we do have ambulances, fire trucks and police vehicles. First responders are available 24/7 for any type of emergency and are highly trained. The Fire Station and Police Station are both located on Market Street.

BANKS

There are two banks located on Mackinac Island:

First National Bank of St. Ignace is located on Market Street and **Central Savings Bank** is located on Hoban Street. Both banks have ATMs. There is also an ATM located in the Mission Point Main Lobby.

POST OFFICE

Our post office offers the same services as larger ones although there is no mail delivery on the island - everyone must stop in and pick up the mail from their P.O. Box. The post office is located on Market Street.

WE LOOK FORWARD TO HOSTING YOUR EVENT AT MISSION POINT RESORT!
